Membership covenant

An original covenant for a church to consider through its own adoption process.

ALL

Trusting in Jesus Christ and depending on the Holy Spirit, we covenant to walk together as his people. We will gather for worship, hear his Word and pray for one another. We will pursue peace, speak truthfully and seek reconciliation when we sin against each other. We will care for those in need, serve according to our gifts and give faithfully as the Lord provides. We will teach the faith in our homes and commend Christ to our neighbors. When we move, we will seek a faithful church where we can continue this life together.
